Workshop

Maximizing Press Performance

March 29 – 30, 2022, Garden Grove, California

**FETTE
COMPACTING**
be efficient

Details

Fette Compacting America is pleased to invite you to a two-day Hands On Workshop on Maximizing Press Performance in Garden Grove, California. This workshop will offer hands-on learning featuring a turret, rebuild of a compression station, tooling, spare parts, and more!

The cost is **\$99/per person**.

Who should attend?

This workshop is designed for anyone in the tableting compression industry. It will benefit tablet press operators, maintenance teams, tooling technicians, R&D, QA personnel, and management / supervisors.

Workshop Objectives:

Registrants will participate in both a classroom setting and a hands-on experience learning how to disassemble and reassemble a compression station, set-up of various Fill-O-Matic configurations, operation, preventive maintenance and much more.

Please feel free to forward this invitation to your colleagues or any other individual that would benefit from additional training in the tablet compression industry.
